

“Suddenly in Command” What could YOU do in a boating emergency?

The captain becomes incapacitated or falls overboard; you purchase a boat and step aboard for the first time. **YOU are Suddenly in Command.**

Misfortune can occur in seconds, and you have the rest of your life to be grateful that you knew what to do because you were prepared

This 4-hour safety primer is designed for those not generally at the helm, and will help you to “be prepared” with the basics in an emergency. You will learn about your vessel, including nomenclature, operating principles and starting the engine. Also included are descriptions of what causes boating mishaps and how to minimize them, basic boat handling, and what equipment should be aboard.
